The screenshot shows the MYPRESTA website interface. At the top, there's a red header with the MYPRESTA logo, a currency selector (€), and a shopping cart icon showing 0.00 €. Below the header is a navigation bar with a search icon, a menu icon, and links for CATEGORIES, ABOUT US, CONTACT, and ARTICLES. On the right side of the navigation bar are links for SIGN UP and LOG IN. The main content area is titled 'Shop' and 'Modules'. The featured module is 'Prestashop HTML box'. It includes a product image, a description, and technical specifications: Shop version (1.7.x, 1.6.x, 1.5.x, 1.4.x), Available translations (multiple flags), Module version (1.6.6), and Works in PrestaShop cloud (Yes). To the right of the module details is a pricing section showing '0.00 €' and two 'Download for free!' buttons. Below the module details are several circular icons representing supported PrestaShop versions (1.7, 1.6, 1.5). At the bottom of the module page are links for More info, Video (0), Reviews, FAQ, Blog (0), and Changelog. On the right side of the page, there's a blue box explaining why two versions are available and a 'Donate' button.
